Description

Specific steel griddle plates (10 mm deep) to cook meat, bacon, fish, hamburgers, sausages, onions... and also for fried eggs and omelettes...

Healthy and quick cooking with the mirror smooth plate for a direct temperature transfer. Perfectly homogenous cooking without any loss of heat thanks to the star burners.

Easy cleaning: juice and grease draining in the removable drip tray.

Stainless steel construction and reinforced insulation

Features: 1 to 3 star burners with 6 to 8 branches for even heat, control knobs with slow position, press button for Piezo lighting, safety thermocouples. Delivered in LPG with a set of NG injectors

Made in France
